Audition Notes for Shortlisted Applicants

Applicants must prepare two items for performance at the audition should they be shortlisted. One item must be selected by the applicant from a choice of monologues supplied by the Market Theatre Laboratory. The second item is the applicant's own choice; it can be self-written or a monologue from a play or a poem. It is in the applicant's best interest to prepare thoroughly for the audition and to arrive at least 30 minutes prior to the scheduled time.

This course is primarily aimed at school leavers. Therefore, applicants with previous professional experience/ qualifications must provide additional motivation for consideration by the panel.

Applicants should not apply for any bursaries/ financial assistance from the Laboratory prior to being enrolled as we will not consider bursary applications until learners have had a successful audition and are registered for the program.

We encourage you to attach any relevant information/ creative work for consideration. Such materials must be supplied with the knowledge that the Laboratory takes no responsibility for returning such materials.

Should the panel require the applicant to do a call-back (a re-audition) – the applicant must make her/himself available on an agreed date.
